

REACH WORK TABLE

Description

The **REACH-OF-TAB-CV-9648-FM-36** is the perfect addition to any space where collaboration and hands on learning are taking place. Whether it be a maker space, art studio or common area, these tables offer a large work surface for a group to work around. The top features a cut out for cable management or disposing of scraps and a low shelf offers storage for materials and supplies.

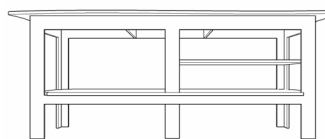

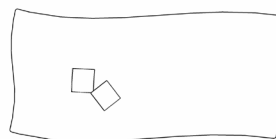

Product features

- Work table height: **36"**
- Shelving for storage underneath
- Opening for cable management
- Fixed height legs
- Floor glides
