

REACH LIGHT TABLE

Description

The Reach Light tables are a wonderful addition to any learning environment where exploring, investigating and sensory play are encouraged. The light feature is a favorite of inquiring minds and the table is an effective educational tool for general classroom use. Whether students are enjoying snack time at the table or using the light feature to enhance learning opportunities, the Reach Light Table is sure to ignite students' curiosity."

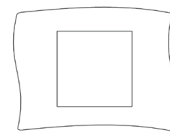

Our Light tables come with a 6 feet long cable and is designed to tuck up under the top when light feature is not in use.
